1.

b. Col KAZAKOV, chief of the ordnance shop was on leave at the time of observation. Lt Col ALEKSANDROV, only recently promoted, was deputy chief of the ordnance shop and chief of the STRAUSBERG Kesh office. Capt VEIDEMANN was identified as supply officer of the STRAUSBERG ordnance shop in late September 1949.

2. The following shipments of weapons were observed:

15 September 1949:

Outgoing shipment of seven railroad cars with rifles and pistols.

16 September 1949:

Outgoing shipment of three railroad cars with 27 mortars.

22 September 1949:

OUTGOING shipment of two railroad cars with rifles, pistols and submachine guns (each car carrying about 2,000 small arms.).

30 September 1949:

Incoming shipment of three railroad cars with rifles, dispatched from FUERSTENWALDE (N 53/V 33).

25X1C

3. Truck picked up two German AT guns from the ordnance shop, towing one gun and carrying the other.
